EXPERIENCE

K-Bro Inc., KCMO — Concrete Construction Worker

June 2018- August 2018

At this job I worked as a concrete construction worker where I learned how to use their tools as well as how to perform actions to effectively level concrete and make it presentable. I worked at this job for 3 months as it would have interfered with my school schedule to continue.

Sonic Drive-In, Liberty, MO — Server and Customer Service

August 2018 - August 2019 / May 2021 - December 2021

In this job I work as a server to give out correct orders to different cars as well as dispensing drinks for the orders. In this job I also got experience in assisting others if any problems were to occur.

Hy-Vee, ParkVille, MO — Pharmacy Technician

August 2019 - May 2021

In this job I worked with a team of other pharmacy technicians as well as pharmacists to dispense medications as well as make sure that they are given to the right people. I also helped customers find certain over the counter items they have or direct them to help for any questions that they might have.

CVS, Kansas City, MO — Pharmacy Technician

January 2022 - Now

In this job I do work similar to what I did at Hyvee with the exception of working with a new system to complete tasks. My responsibilities in the job are to make sure that the prescriptions are filled correctly before it gets verified by the head pharmacist as well as to use the computer system to fix errors in processing of medical scripts as well as tending to customers in regards to filling their prescriptions, answering questions about otc products, and completing transactions when their prescriptions are ready.
